BOTTLE ERP EDITION COMPARISON

Every Bottle ERP edition runs on the same platform – built on Oracle NetSuite and enhanced with distillery functionality from Catalyst ERP. Start where you are today and upgrade cleanly as you grow. The table below compares features and capacity across **Starter**, **Mid Market** and **Enterprise**.

STARTER

NEW & GROWING CRAFT DISTILLERIES

The core essentials – production, cask & duty tracking, labels and sales – to replace spreadsheets and get organised.

CORE PLATFORM:

single-stage production, LPA & duty, inventory, bottle & cask sales.

MID MARKET

ESTABLISHED PRODUCERS SCALING UP

Everything in Starter, plus the tools a busy, growing distillery needs day to day.

ADDS:

WMS Go mobile warehouse, multi-stage production & planner, data import, advanced finance, bin & customer-owned casks.

ENTERPRISE

INDUSTRIAL-SCALE, MULTI-SITE GROUPS

Everything in Mid Market, plus compliance, automation and capacity for the largest operations.

ADDS:

EMCS, intercompany & storage-cost automation, landed costs, custom vessel numbering, full custom PDF and far higher limits.
